

September 5, 2013

Dear Property Owner,

There has been some discussion on how to include more non full-time residents in the operations of the Village. As you may be aware, apart from our 16 permanent staff, the Village relies on volunteers for the various committees, the Fire Department, Emergency Medical Service, and the occasional task force teams. State law mandates that the Council, Planning and Zoning Commission, and Lodgers Tax Board meet State Statute requirements for members; among the possible requirements is being a registered Village of Taos Ski Valley voter. If you are a registered voter elsewhere, you are able to change your registration to the Village by doing so at the Taos County Clerk's office. Even if you are registered as a voter somewhere else in New Mexico or in another State, we would still like your input and participation.

We would like full or part-time members for our Public Safety and Parks and Recreation committees. If you happen to be EMS or Fire-trained we would welcome you to join our departments, even as a part-time member. If you wish to join Fire or EMS as a full time member, we will provide training, or send you to training classes if required. Mostly during the summer, we organize a Search and Rescue team for lost and injured hikers. If we had more people to call on it would really help. . If you are available and willing to sit on a task force team to help come up with creative solutions to some of the Village issues, we would add your name to our pool of people.

We are also considering holding a summer and a winter Village Town Hall meeting on a weekend so people can ask questions and make suggestions regarding the direction for the Village. Finally, we have our yearly spring Village Cleanup. Next year we would like to extend this over a weekend with a barbecue on Thursday and on Saturday. The Saturday barbecue would have to be primarily organized by residents participating in the cleanup. Please indicate if you would like to help.

The following survey will help us develop a list of interested people. We realize that some of you may wish to participate but distance or other commitments may prevent this.

Thank you,

Mayor Neal King
