

Come check out our newly designed course!!! Disc Golf is open daily from June 23rd until Oct 1st. Play is FREE and rental discs are available at Taos Ski and Boot at the base of Lift #1. Test your skill, keep the score and enjoy the views while spending a day in the mountains. Located around the base area and on Strawberry Hill this is a great way for the whole family to get together and try to outdo each other. Disc Golf is played much like traditional golf. Instead of a ball and clubs, however, players use a flying disc, or Frisbee. A golf disc is thrown from a tee pad to an elevated metal basket target which is the "hole." As a player progresses down the fairway, he or she must make each consecutive shot from the spot where the previous throw has landed. The trees, shrubs, and terrain changes located in and around the fairways provide challenging obstacles for the golfer. Finally, the "putt" lands in the basket and the hole is completed. Disc Golf shares the same joys and frustrations of traditional golf, whether it's sinking a long putt or hitting a tree halfway down the fairway. Lessons provided by Disc Golf pros will be available for individuals and groups starting in July.
