

Dear Resident, if you are interested in converting to natural gas, now is the time to do it. New Mexico Gas Company is offering a **\$1,500 conversion rebate**. It is available on a first-come, first-served basis until the fund is depleted.

If you are interested in natural gas, please fill out the information below and take a quality picture of the completed form and either text or email it to me. If you prefer, you can call me, and I will write your information down.

Name: _____

Address: _____

City: _____

Mailing Address: _____

Phone Number(s): _____

Email: _____

Heated Square Footage of House: _____

What appliances would be used for natural gas? (Heater, Water Heater, Range, Fireplace, Dryer, etc.) Please list:

Note: If your house is all electric and you may consider adding natural gas, please list what appliance(s) you may convert to natural gas.

Three-year average of propane usage: _____

How many gallons of propane do you buy a year? _____

Calculate your actual savings at www.nmgco.com/gascalculator

A New Mexico Gas designer will work with you and provide a cost estimate to extend natural gas to your home. The yardline, cost of the main line extension is applicable, or either or can be put on a monthly payment plan.

Please call me to find out more information.

Sincerely,

Colleen Summers
