

TWINING ROAD IMPROVEMENT PROJECT FINAL PUBLIC MEETING: PRELIMINARY DESIGN PHASE

Tuesday, February 23rd, 2021
from 11am to 12:30 pm

Purpose of the Meeting:

The Village of Taos Ski Valley is sponsoring this meeting to discuss proposed improvements to Twining Road between the Skier Parking Lot and Zaps Road. Area residents, business owners, property owners, roadway users, pedestrians, bicyclists, and all interested parties are encouraged to attend to ask questions, provide comments, concerns, and suggestions regarding the proposed project.

Proposed Improvements:

Currently, Twining Road is a narrow two-lane unpaved mountainous roadway with steep slopes along each side of the roadway. The project will improve roadway conditions, provide pedestrian facilities, and make improvement to drainage and waterlines. Additionally the road improvements will include pavement, curb and gutter, and sidewalks for the lower approximate ½-mile, while providing grade flattening improvements on the upper portion of the project.

Comments:

Written comments may be emailed to Scott Eddings, Huitt-Zollars, Inc., at seddings@huitt-zollars.com or to Patrick Nicholson, Village of Taos Ski Valley, at pnicholson@vtsv.org.
