VILLAGE OF TAOS SKI VALLEY Village Council Agenda Item

AGENDA ITEM TITLE: Consideration to Approve the Village of Taos Ski Valley Application to the Carson National Forest for an Approval to Reconstruct the John Ramming Memorial Nature Trail

DATE: February 12, 2019

PRESENTED BY: VTSV Parks & Recreation Committee

STATUS OF AGENDA ITEM: New business

CAN THIS ITEM BE RESCHEDULED: Not Recommended

BACKGROUND INFORMATION: The J.R. Ramming Nature Trail was constructed in 1998. Over time the trail tread has been damaged by weeds encroaching on the sides and narrowing the trail, and by erosion, construction and time. The Village of Taos Ski Valley Parks & Recreation Committee would like to see the trail reconstructed to follow current ADA guidelines. The boardwalk section of this trail was completed in Fall 2018 and is ADA compliant. The Committee would like the entire length of the trail ADA compliant. The Village must first start this process with an application to the US Forest Service. Construction would be done by an outside contractor.

RECOMMENDATION: Staff recommends approval of Village Application to the Carson National Forest for an Approval to Reconstruct the John Ramming Memorial Nature Trail

MEMORANDUM OF AGREEMENT BETWEEN THE VILLAGE OF TAOS SKI VALLEY AND THE NORTH CENTRAL REGIONAL TRANSIT DISTRICT TO PROVIDE A BUS ROUTE TO TAOS SKI VALLEY

This Memorandum of Agreement (the "Agreement") is entered into as of this 3rd day of August 2018, by and between the NCRTD ("District"), a Regional Transit District organized and existing under the Laws of the State of New Mexico and specifically the Regional Transit District Act, NMSA 1978, Sections 73-25-1 et seq., and the Village of Taos Ski Valley ("Village"), a duly organized and incorporated municipality in the State of New Mexico, (each being a "Party" and collectively, the "Parties") for the purpose of operating a bus route to the Village.

WHEREAS, the Village has historically contracted with the Taos Chile Line for the provision of some public transportation services; and

WHEREAS, in 2015 the District acquired and now owns and operates the Taos Chile Line as the NCRTD Taos Chile Line; and

WHEREAS, the Parties wish to provide bus service between the Village of Taos and the Village of Taos Ski Valley for the purpose of employment and to encourage tourism; and

WHEREAS, the Parties enter into this Agreement to provide bus service to the Village of Taos Ski Valley.

NOW, THEREFORE IT IS AGREED between the parties as follows:

1. Services Provided by the NCRTD. The District will provide bus service consistent with the transit schedule of the District as outlined on Attachment "A", attached hereto and incorporated by reference herein. The services provided under this Agreement shall conform to the standards for service, policies and procedures of the District for general NCRTD transit services. The Parties acknowledge that the services as outlined on Attachment "A" may be altered, substituted, or reduced in the future if the Parties jointly agree that changes are warranted based upon ridership and the needs of the Parties. The Parties agree that any alteration, substitution, or reduction of any or all of the services will not be grounds for the termination or alteration of the Parties' obligations pursuant to this Agreement provided that the District continues to provide public transportation service to and from the Village equivalent to the service described in Attachment "A". Nothing

herein shall be deemed to limit the ability of the Parties to the Agreement from agreeing to additional services during the term of this Agreement.

Due to increased FY2019 service levels which include evening services on Friday and Saturday, the District reserves the right to cancel services without penalty if, in the District's sole discretion, it determines that snow removal has not been adequately performed or maintained and that the service would not be reasonably safe. Said cancellations may be made by the District without penalty, offset or reduction in the compensation due under this Agreement.

- 2. Fares. The District will not charge fares for this route.
- 3. Term of Service. The District shall provide District buses, personnel and related services as necessary to provide the service as depicted in Attachment "A" for a term of three (3) months and eleven (11) days; the District shall provide transit service from December 15, 2018 through March 24, 2019.
- 4. Sum Paid to the District. The Village agrees to pay the sum of \$65,965.00 (which amount is supplemented by a \$10,387.00 credit for services paid for by the Village and not delivered in FY2018) to the District, as full payment of the cost of service on or before December 15, 2018. The check shall be made payable to the North Central Regional Transit District, Attention Finance Department at 1327 N. Riverside Drive, Española, NM 87532. This sum may be modified by subsequent agreement of the parties in the event that the Village seeks and obtains additional services from the District during the term of this Agreement.
- 5. Village's Duties. The Village agrees to work with Taos Ski Valley, Inc. to enforce any and all valid agreements regarding snow removal on the routes where the District is providing services. Said enforcement shall be at the Village's sole cost and expense. Failure to enforce any such agreements shall be grounds for the District, on a case by case basis, to cancel trips or services which it, in its sole discretion, determines to be unreasonably unsafe. The Village further agrees to enforce access to and use of drop of and pick up locations designated by the District against any and all private parties that seek to impair the delivery of the service including but not limited to Taos Ski Valley.
- 6. Liability. As between the Parties, each party shall be solely responsible for fiscal or other sanctions, penalties or fines occasioned as a result of its own violation or alleged violation of requirements applicable to performance of this Agreement. Each Party shall be liable for its acts or failure to act in accordance with this Agreement, subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, § 41-4-1 through 41-4-27. The Parties agree that this document is not intended, by any provisions or part hereof, to create any right to maintain a suit, claim or cause of action of any type whatsoever or however designated, by any individual or third party that is based upon, related to or arising out of any of the provisions of this Agreement.
- 7. Appropriations and Authorizations. This Agreement is contingent upon there being sufficient appropriations available and proper authorization from the respective governing bodies of the Parties. Each Party shall be the sole and final determiner of whether sufficient appropriations and authorization exist. If this Agreement encompasses more than one fiscal year, this Agreement is contingent upon continuing appropriations being available.
- 8. Termination. This Agreement may be terminated at will, by either Party, with or without cause. Termination shall be by written notice to the other party by U.S. mail or by e-mail so long as there is
