

**AGENDA FOR FIREWISE BOARD OF DIRECTORS AND
PUBLIC SAFETY COMMITTEE MEETING - TO BE HELD VIA ZOOM
JANUARY 9, 2022 at 10:00 A.M.
VILLAGE OF TAOS SKI VALLEY, NEW MEXICO**

Call to order and notice of meeting.
Note members in attendance.

Public Safety Committee:

Kudos to Anthony Martinez and his entire Public Works crew and administration staff during water outage beginning 12/28/22.

Update on water outage - Anthony Martinez

Review boil drinking water advisory.

Discuss mandatory water turn-off valves at every residence.

Discuss apps and devices to monitor sudden water loss remotely.

Discuss heating / insulating pipes that are exposed to cold weather.

(Information about freezing pipes is on the VTSV

website.)

Discuss a universal marking and signage that shows Public Works Staff where turn-off valve is in home.

Discuss common sense ways to use less water during an outage.

Mandatory notice by hotel management to all hotel guests and staff to use less water during an outage.

Update on post office package lockers.

Distribution of letter to residents concerning visible house numbers.

Discussion of public safety issues concerning future Hotel St. Bernard complex: (based on meeting packet of Planning and Zoning meeting 12/5/22).

-Changes (specifically traffic and pedestrian concerns), being made to Sutton Place with regard to new construction, as documented by Chief Vigil and DOT

-Discussion of lack of adequate parking for guests.

-Discussion of safety of pedestrian walkways with reference to snowfall off of roofs.

-Discussion of Village's statement that there is currently inadequate water infrastructure, thus water supply, to provide water to Hotel St. Bernard complex in the near future.

Update on 'no passing' signage in village, in particular, in Amizette.

Update on efforts to get residents of Amizette to call Kit Carson Electrical Co-op and request underground power lines to their property.

Discussion of citizen's concern of part of Highway 150 that ices over frequently in

the winter.

Update on snow plowing in Amizette side streets.

Miscellaneous items.

Firewise Board:

Update on completed CWPP and the placing of it on the village website.

Update on putting additional entries to CWPP on 'Sharepoint' on VTSV website.

Deletion of statement, or changing language, in CWPP that states the Firewise Board will update the fire risk assessments of each property.

Discussion / agreement that committees should be on the Village organizational chart.

Notice of next meeting date / time.

Adjournment
