Dear Lodger's Tax Advisory Board,

On behalf of the Village of Taos Ski Valley's Parks and Recreation Committee, we are requesting funding for the following projects. The committee is planning for an active summer with focus on visitors and their experience. With support from Trails+ program we will be developing a comprehensive vision and associated multi-year strategic plan and will be contacting you and welcome your input.

Description of Projects:

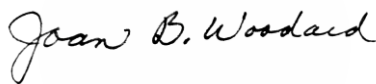

1. Village Core Area Beautification—re-establish flower baskets in upper plaza and Sutton Place and move four to lower plaza (previously in an area now with construction traffic. --**\$5000**
2. Sustainment of Hiker Parking toilets—pumping of toilets (two to three pumpings during the season); twice weekly cleaning of toilets during time when toilets are unlocked (~May thru October)--**\$2500**
3. Disc Golf & Volleyball—re-install disc golf at base of chair 1 (note that inquiries to the TSV Chamber about disc golf are among the highest received); set up recreation, games etc. including volleyball court at the base of chair 4 (replace sand as required; worked in collaboration with TSVI) --- **\$6000**
4. Spring, Summer, & Fall Cleanup events – provide refreshments in conjunction with these events and use the events to solicit input from community for multi-year strategic plan --- **\$750**
5. **Ramming Trail maintenance**—in collaboration with Field Institute of Taos, annual maintenance and new nature sign holders -- **\$750**

The total amount requested is **\$15,000**.

The committee stands ready to answer any questions regarding the projects, costs, or impact to the ski valley.

Respectfully,

Village of Taos Ski Valley Parks & Recreation Committee
