Dear Village Customer,

The Village of Taos Ski Valley Council recently approved an increase in the fixed and variable water, sewer, and trash rates for FY2026 in order to reflect the significantly increasing costs of our vendors, licensing, insurance and operational cost.

This increase is effective July 01, 2025.

The new per unit rates are as follows:

- Fixed Water \$89.04/EQR
- Price per gallon/consumption \$0.0706/gallon
- Solid Waste \$6.564/EQR

Resolution (2025-018) adjusting the rates and a hopefully helpful detailed explanation of how your individual utility rates are calculated and what each one covers is available on the Village of Taos Ski Valley website at [www.vtsv.org](http://www.vtsv.org), or by typing in this link: [www.vtsv.org/village-government/resolutions/](http://www.vtsv.org/village-government/resolutions/) you will find the Resolution 25-018 Establishing the Fee Schedule for the Joint Utilities under the (Fiscal) Category.

If after reviewing the above material you have additional questions, you can contact the Village Utility Billing Clerk, Elaine Miera at [emiera@vtsv.org](mailto:emiera@vtsv.org) or by calling (575) 776-8220, M-F between 8am-3pm, or you can contact myself at the contact information below.
