

Village of Taos Ski Valley

## Community Development Director

Help shape the future of a mountain community. Build projects. Solve problems. Make things happen.

### **What you'll do:**

- Lead planning, zoning, and development
- Deliver capital and infrastructure projects
- Work with engineers, contractors, and agencies
- Be the go-to for developers and big ideas

### **Who you are:**

- 8+ years in planning, engineering, construction, or similar
- Comfortable running projects and making decisions
- Likes small teams, big impact, and getting things done

### **Why this role:**

You won't be stuck behind a desk. You'll see your work in the real world — roads, buildings, systems, and a community that works better because of it.
