

SUBJECT: Invitation to Apply – Capital Improvements Advisory Committee (CIAC)

Dear Community Members,

The Village of Taos Ski Valley is seeking interested individuals to apply for appointment to the Capital Improvements Advisory Committee (CIAC).

The CIAC is an advisory committee established pursuant to the New Mexico Development Fees Act and will support the Village in reviewing and providing input on:

- Land Use Assumptions
- Impact fee-related Capital Improvements Planning
- Required reporting and compliance efforts

This is intended to be a focused, task-oriented committee with a defined scope and duration. The Village is particularly interested in applicants with experience or perspectives related to development, construction, infrastructure, planning, engineering, finance, real estate, business, or community engagement.

Under state law, at least 40% of the committee membership must represent the real estate, development, or building industries.

If you are interested in serving, please complete the application linked below:

<https://form.jotform.com/261375151660050>

Applications will be reviewed by Village staff and forwarded to the Governing Body for consideration and appointment.

We appreciate your willingness to support the Village and contribute your expertise to this important effort.

Sincerely,

Henri Hammond-Paul

Village Administrator, Village of Taos Ski Valley
